Enclosure No. 2

Sir,

I have the honor to enclose two petitions from Messrs Hamilton and Hay, requesting the plague leave rules recently sanctioned by Government.

As regards Mr Hamilton I believe he is entitled to the concession of two months' Privilege leave for having worked in the Plague Department for the prescribed 10 months. He now asks that in lieu of the two months' privilege leave he may be granted two months' pay and remain on

Referred to Secretary
BB 8/8/99

Received with Mr Wood's
Minute of 17th inst.
BB 17/8/99

Submitted to Plague Commr.

If approved, the Dy Commr may be informed that the Plague Commr regrets that he cannot entertain Mr Hamilton's request for the grant of a bonus of 2 months' pay in lieu of the leave concession authorized in Govt Pro: No Pg 73–112 of 17th July/99.

As regards Mr Hay, he was in charge of the Plague Office from 7th August/98 to 27th April/99 during also in addition, the duties of a Plague Officer from 7th Dec/98 to 19th Feby/99. The actual period viz 1 month & 24 days during which he did plague work in addn to his duties does not entitle him to leave concession authorized in Govt Pro No 73–112 of 17th July/99. It is a point for consideration whether the payment of any extra allowance in his case will not create an inconvenient precedent, as there are several other officers like Messrs Hamza Hussain, Imamain Rod: who did plague work in addition to their duties without any extra allowance.

BB 8/8/99

his request very reasonable and as demonstrated by him will be a saving to Government of the work done by him. I cannot speak too highly and have invariably found that I could depend upon him entirely and from his energy and tact with the villagers and townspeople, I am inclined to believe that plague has not been so severe as it would have been in his District; I therefore earnestly request that you will kindly recommend the matter to Government with your support.

As regards Mr Hay's request, I am not certain whether he is entitled to the Concession, but considering the hard ways in which he worked while in charge of plague operations at the Gold Fields in organising a System of plague preventive measures and considering that he was Single handed attempting to do the work for which a very large and expensive staff was therefore required to carry out, I trust that you will agree with me that he is entitled to some Concession in the Shape of extra pay or leave whichever you may think fit to recommend to Government.

But as I do not wish to proceed on previlege leave having neither need through ill health on the one hand nor inclination to go any where for pleasure on the other, I beg therefore that I might, in consideration of the arduous duties I have performed during the past 10 months in connection with plague, be permitted to participate in the gracious concession of the Government by being granted two months salary instead of the two months previlege leave. This will not I venture to submit entail any extra cost on Government on the other hand it would be a saving for me as I to proceed on previlege leave I would still draw my salary, and the acting allowance of my locum-tenens would be an extra charge on Government. I trust you will kindly see your way to recommending the above for the favourable consideration of Government. I have the honor to be,

Sir

I have the honor to request that you will kindly enquire from Government as to whether I am entitled to any concession under the Plague Leave Rules. From August 7th 1898 to December 27th, I was in charge of the Plague Police in addition to my other duties. On December 27th I was appointed Special Plague officer for the Bowringpet Taluk including the Gold Fields and acted as such till relieved on February 19th by Dr. Krishnasami Iyer but continued in-charge of the Plague Police till I went on leave on April 27th. I beg to point out that this Officer has been in receipt of a Special Plague Allowance of Rs 200/- per mensem, but that I received no extra pay nor allowance during the time

time I was Special Plague Officer.

Under these circumstances, I humbly beg that you will recommend to Government that I may be granted an allowance for the time I acted as Special Plague officer, or failing this that I may be considered eligible for the extra leave allowed for Plague work.

I have the honor to be

SUBJECT NO. 2.

His letter No 431 dated 5th aug 1899 forwarding applications from Assistant Surgeon Hendrie & Hay. from Mr Hendrie, ~~Dr Hayne~~ Asst, requesting the grant of his two months salary in lieu of two months privilege leave, for the services rendered by him in connection with Mysore Famine and petition from Mr Hay, Asst Surgeon Kolar No Reddy requesting the grant of an allowance for two months he ~~acted~~ was on plague duty as Second Plague Officer in the Chamarajendra Districts or of ~~for~~ the entire plague leave

Re Clerk of Magistrates Court

Has the honour to observe that the Handin's request is inadmissible as no leave or pay can be asked for in lieu of privilege leave whether earned under the ordinary rules or under the Plaque rules, & that the application if granted would create a bad precedent now in the statement that the grant of the Handin's request will entail no extra cost on Govt if he should resign, for if he does on leave, his earned leaves will not necessarily be a disposable salaried officer like himself, but one whose pay plus allowances would be ~~L~~ 1st half ~~H~~ ALSO

Regarding the Handin's request, his case does not come within the scope of the Plaque Concession Rules, as Plaque work performed was done by him for only 1 month & 2 days. & that nearly every Police Supt & Asst Supt in the State has had charge of the entire police of his Dist including Plaque police, which, as the rules stand, entitles him to no allowance or extra leave.
